M E. LAZERTE COMPOSIT
ATTENTION

LaZerte is defined by its absence of uniformity, and its enrichment in diversity. With every year, students continue to grow and develop into the person they want to become, with the guidance and encouragement of the staff and their classmates. Everyone's perspectives are broadened and enhanced while attending LaZerte, as this school provides students with many different opportunities and activities such as traveling, school-wide fundraisers, events and celebrations, show-casings of talent, leadership options, student union activities, sports teams, field trips, clubs and countless Voyageur days. All of these special events contributed to the many amazing memories for students and teachers at LaZerte as well as the community around them. M.E. LaZerte and its staff and students have positively impacted every student in some form, and will continue to do so for years to come.

Halloween

Many students contributed to the spooky spirit by wearing amazingly creative costumes in celebration of Halloween. From intricate face make-up to detailed hand crafted outfits, everything showcased this year looked absolutely amazing, adding to the festive fun in our atrium. Whether you were dressed up as a ghastly ghoul, a cuddly cat or something in between, we hope all our voyageurs had a terrific Halloween.

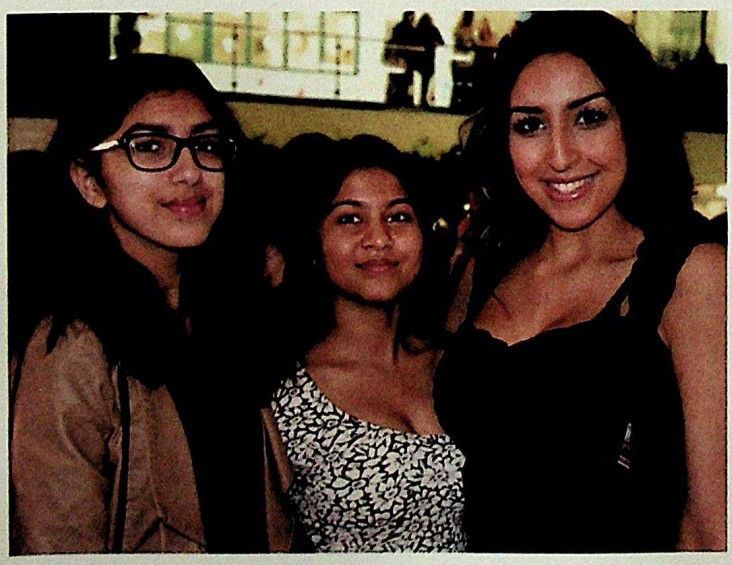
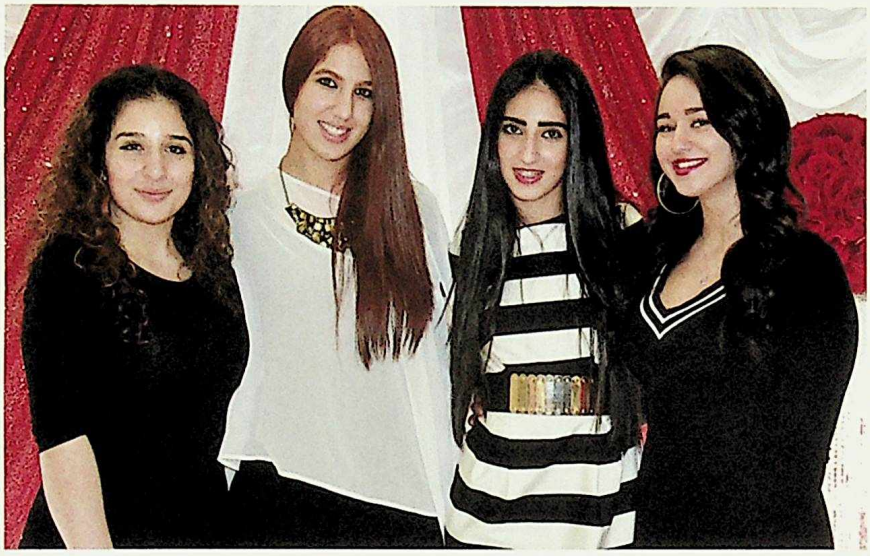
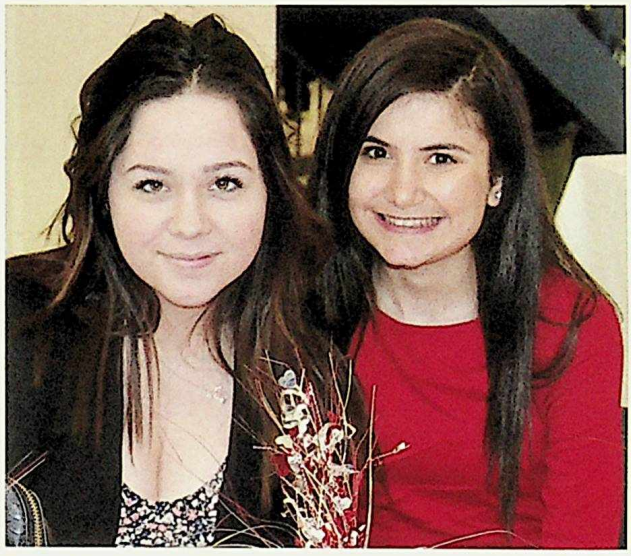
Festive Formal

December ended with a beautiful finish. Students dressed their best in bright and snazzy outfits that showed off their holiday spirit. Everyone spent their last day before the holidays in style eating delicious free food and desserts while dancing merrily in the atrium to a DJ. Despite the cold and snowy weather outside, the students of M.E Lazerte celebrated their final school day of December taking fun pictures together with friends and wishing each other Happy Holidays!

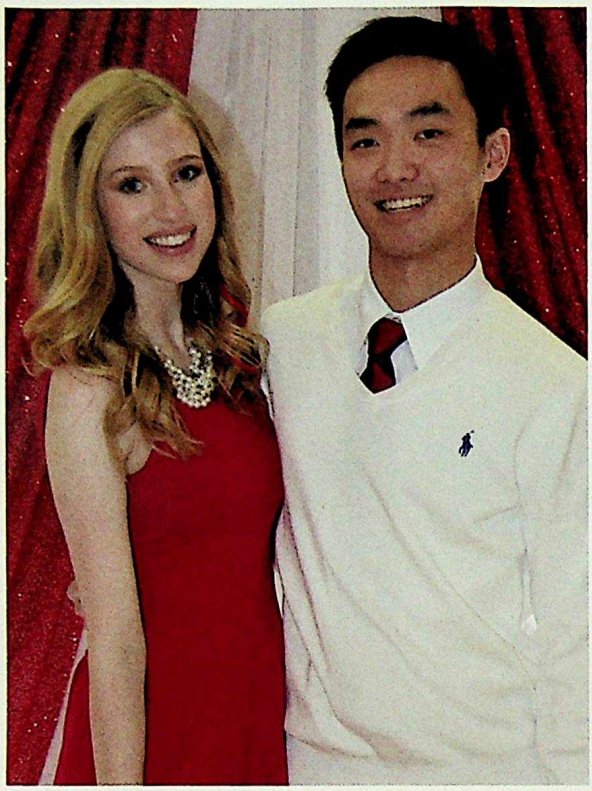


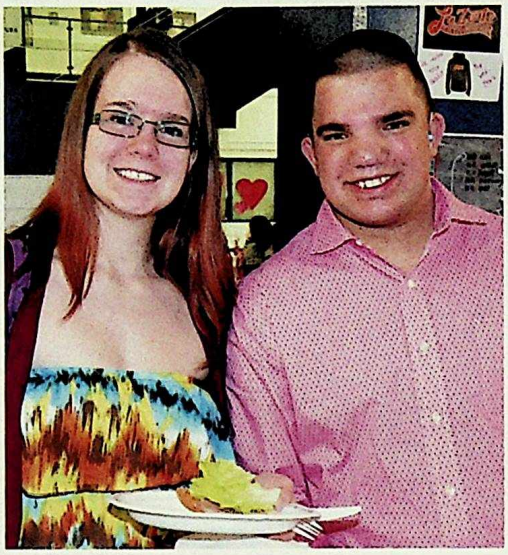


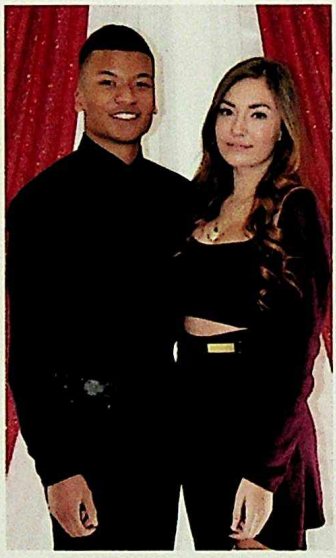


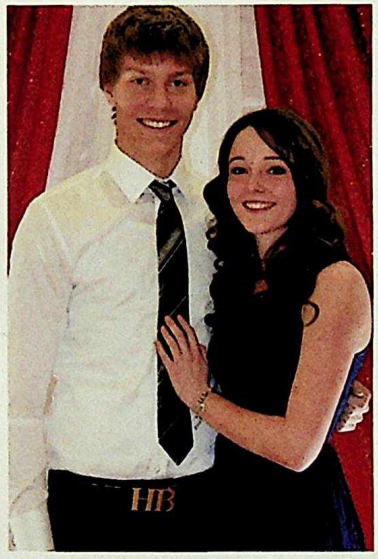
Touch of Class

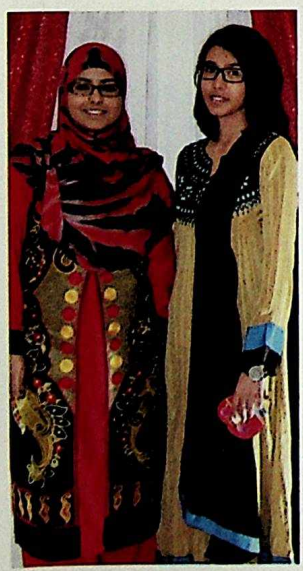
Valentine's Day 2015

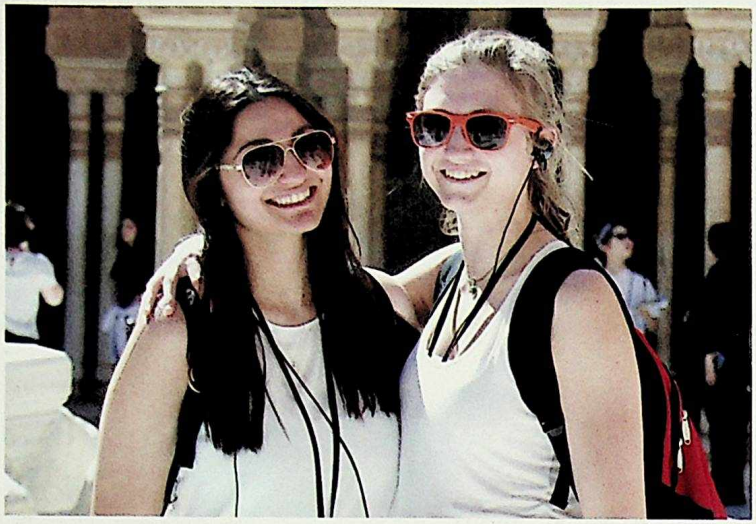


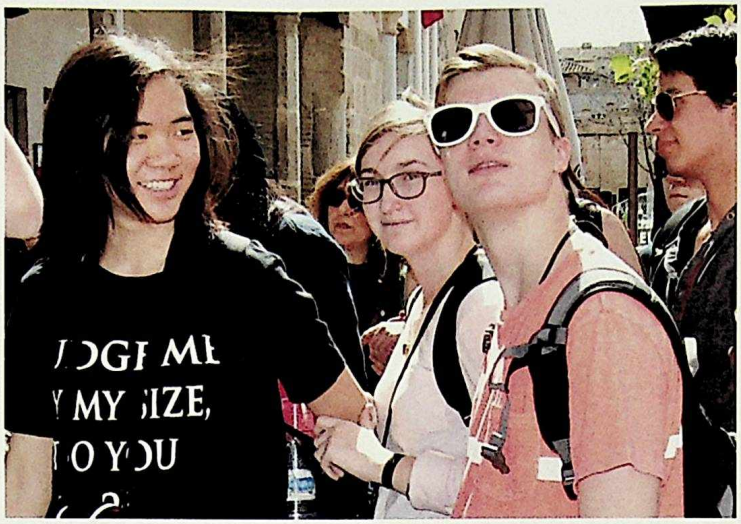


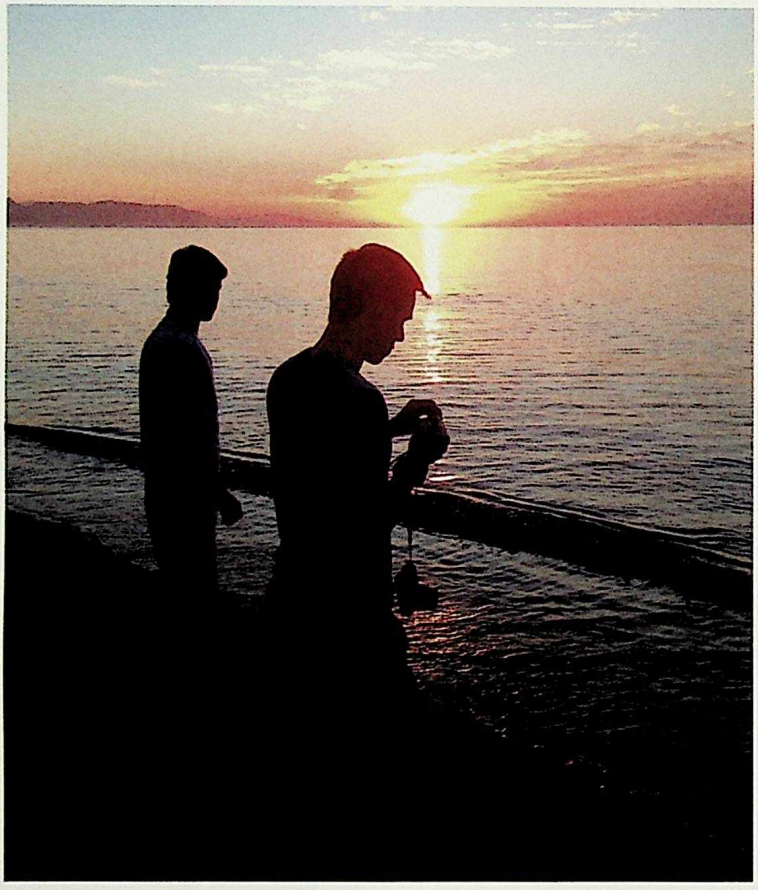


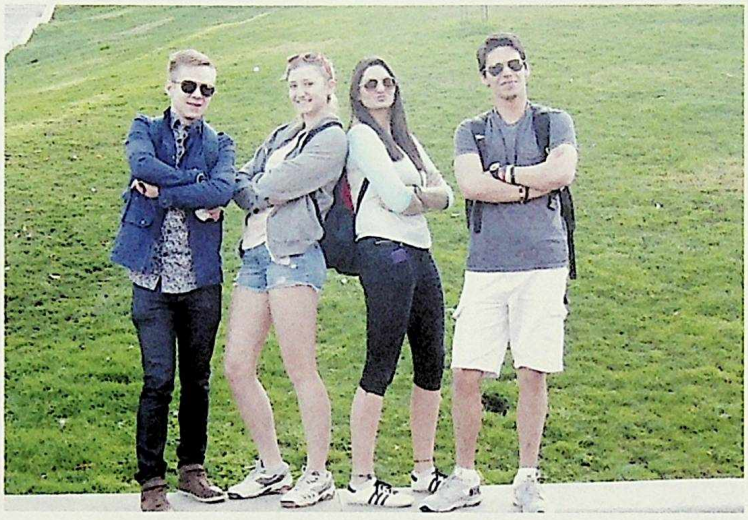












Spain 2015

We began our educational adventure in Madrid, Spain, where we got to explore the Royal Palace As well as Santiago Bernabeu, Real Madrid's soccer stadium. Toledo was our next stop, visiting the home of El Greco, and the Burial of the Duke of Orgaz. From there we went to Malaga, in the heart of Andalusia, beach-side resort town of Costa del Sol, Torremolinos. Our hotel in Torremolinos was likely everyone's favorite as it was overlooking the mountains and sea- as well as provided a great view the beautiful sunrise. Alhambra Palace in Granada Spain's top attraction with its gorgeous mosaic tile decoration and courtyards. Our next stop was a day trip to the British Rock of Gibraltar, where we visited the Ape's Den, home of the tail-less monkeys, Macaques; they roam freely and entertain tourists daily. In Seville we had the great fortune to enjoy Flamenco dancing, which was a privilege to watch and become enticed in the culture. While in Seville we got to see pillars that were taken from conquered cities and placed into the Cathedral. The Roman Aqueducts is just one of the outstanding Roman monuments that awaits you in the city of Segovia. Next was the medieval city of Ronda, which is home to one of the oldest bullrings in Spain, where we got to roam and enjoy a vibrant atmosphere.

Mr. Candido, Mrs. Erickson and Mrs. Law would like to send accolades to our student participants on the trip for being amazing, engaged and considerate in Spain.

Ghandi Conference

This year, LaZerte had the pleasure of hosting the Ghandi Conference of 2015. Around 200 high school students got to know more about the man known as Gandhi. These delegates went to many workshops as well as participate in many hands on activities. Thank you to all the LaZerte volunteers who helped through-out the day. It would not have been possible without you guys!

Men's Volleyball

Another season's over and what a journey it has been! We've had our share of successes and a few anxious moments but we will never forget our most memorable game at semi-finals where we fought our best but we were down three set's to two. The great thing about this sport is that there is always room for improvement and the outcomes will be outstanding. We would like to say a giant "Thank you" to all players, assistant coaches and to our coach Brett Knebel.

Indoor Soccer

The return of the indoor soccer team was very exciting. As a young team, we showed a lot of potential and obtained great results. Offensively, we were lead by Lahai and Ashley. Nick and Dustin were our strong defensive players. Everyone contribuited in their own possible way and played a very competitive game each and every time.

The Men's Rubgy team had a phenominal season this year. The boys practiced hard from the begining and kept the momentom going throughout the season. Despite some short falls during the season, the boys persevered. The teams spectacular defensive skills secured our spot for a championship macth. After a hard fought battle the boys went on the win the Division 3 city championship. Great work boys it was a memorible season!

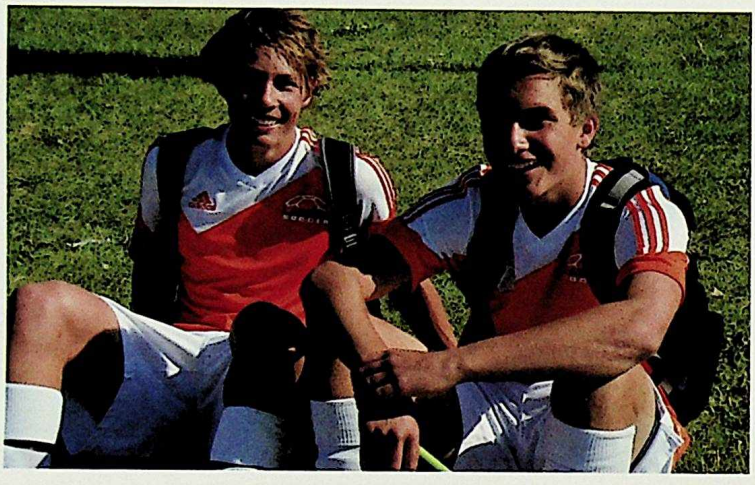
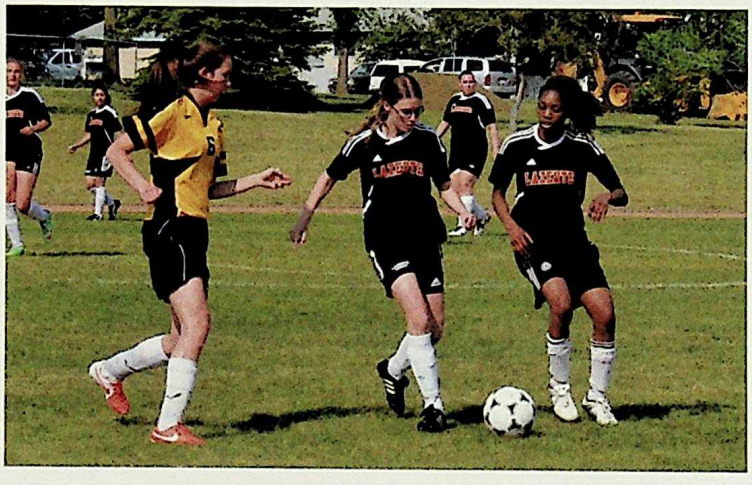
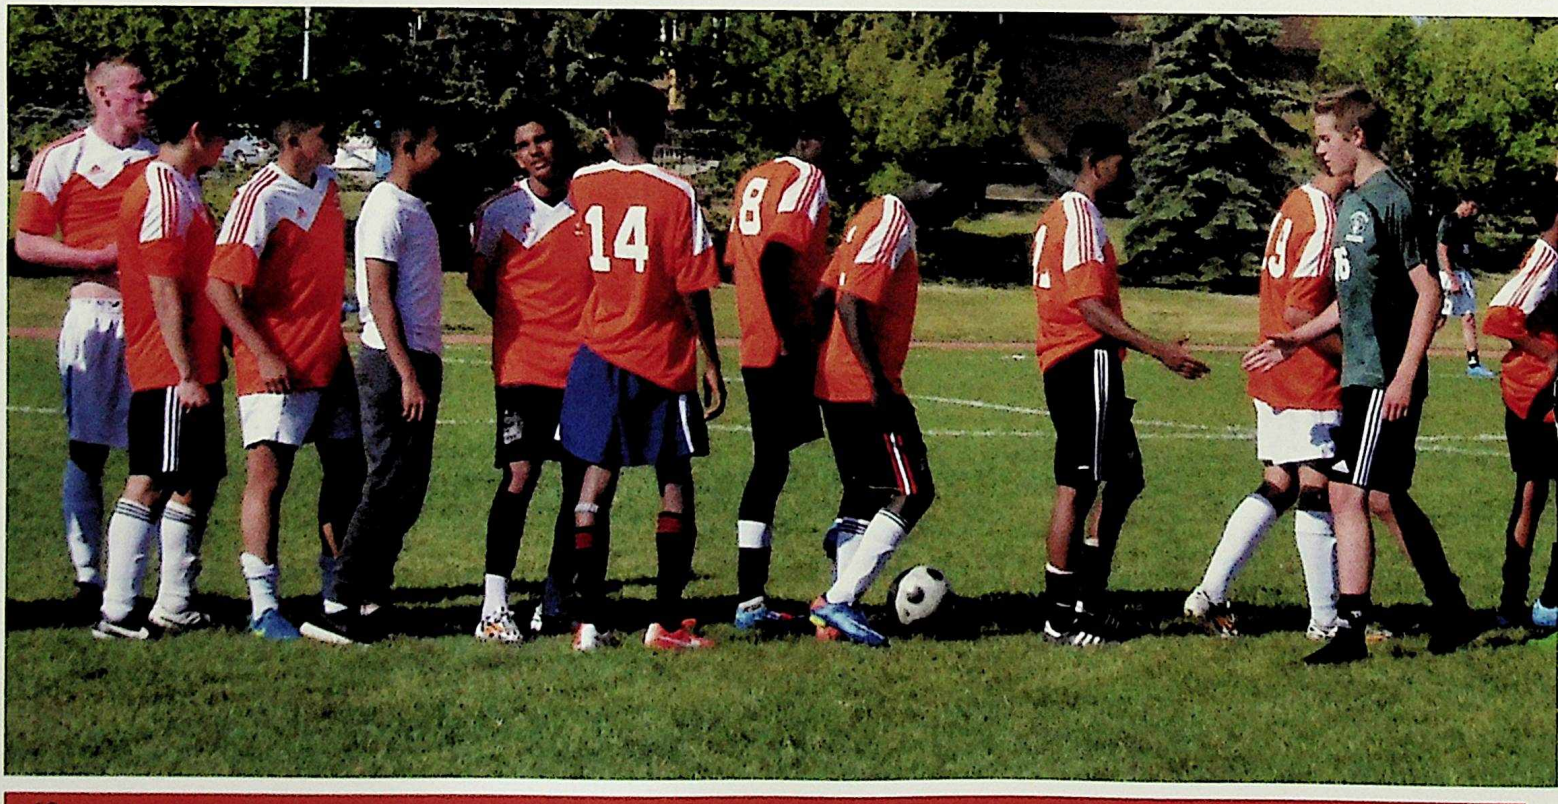
Outdoor Soccer 2015

The senior girls' soccer team had an awesome season this year. Goals were scored from all over the field and the team played both amazing offense, and defense. Congratulations to all of the graduating players!







The senior boys' soccer team had a very successful season this year boasting a 4 - 0 - 1 record entering the Division 1 playoffs in first place. To earn this spot the team defeated schools like Ross Shepard High School and O'Leary High School along with other very skilled schools. The season ended abruptly with an unfortunate loss on home soil to north side rival O'Leary in the semi-final match. The team would like to thank the coaches Mr. Teixeira and Mr. Candido for all of their time and effort put in over the course of the season.

Principal's Message

This past school year was one of growth, change, and inspiration! We created our Mandarin Pillar out of mosaic in the front entry to help define our programs, we implemented out new MEntor program seeing hundreds of volunteers making a positive difference as students transition into Grade 10, and we took part in events like the ALS Ice Bucket Challenge, the Gandhi Conference, our first annual Career Day (complete with Austin Powers), the Dance Showcases, The Hair Massacure, our UN Debate, Honors Sundaes, Social Justice project with Boko Haram, Charlie Brown Dinner Theatre, the Grad Fashion Show, the Tri for Cancer, the Taste of LaZerte... there continues to be so many activities that happen at this incredible school that bring us together as a family.

And we are a family...complete with traditions, celebrations, expectations, and respect. We continue to work together with one another to make this an engaging learning environment that is also our home for the majority of our day. We learn so much as we come together in these positive events, and I hope you reflect on your time here as the moments that you will remember throughout your lifetime. Enjoy!

2015 Valedictorian

This is the day we've all been waiting for, and at this moment, we can't help but to think back to how everything started. Remember the first day of kindergarten, when we were thrown into a confined space with a bunch of strangers? This sounds a bit familiar doesn't it? I think most of you have seen the Disney film Finding Nemo. It's a story about the journey of a young clownfish, named Nemo, who got lost while exploring the ocean, and I found a lot of similarities between Nemo's adventure and our experience through school, especially high school! High school resembles the small aquarium in the dentist's office that Nemo found himself in. This small space is minuscule compared to the vast ocean which is representative of the world we are about to enter as we leave high school. From the first day, we have been working together towards our grand escape from this "aquarium;" we've all worked towards our graduation day. High school is a time where A LOT of change occurs. Everyone is trying to find their way, not only through the hallways, but also through life. It is a time of exploration, where everyone is searching for their interests, passions, desires, and who they want to present themselves as. Along the way we may have gotten lost a few times, losing sight of our objectives, and other times, we were met with obstacles, but all we have to do, as Dory infamously said, is to "Just keep swimming." Sometimes it may have seemed difficult to keep swimming, but most often overcoming obstacles might mean having to step outside of your comfort zone, which may not sound very ideal. Nemo was born with a small fin, one of his greatest insecurities, which always made him feel unsure about his ability to swim. However, as you move outside your comfort zone, what was once the unknown and frightening becomes your new normal. What you conceived as impossible becomes something attainable. You never know what greatness you are capable of achieving until you try; if you constantly limit yourself, you close off the doors to your potential. We've all come a long way through our many years of education. For some, it might not have been easy, but I want you all to take a look at the people around you. These are the people who have shared this memorable journey with you, and they are also the people who have supported and encouraged you along the way. These are the people who have gathered here tonight to celebrate your many accomplishments with genuine pride and happiness. The last thing I want to share with you all is one phrase, and that is to dominate humbly; excel in everything you do, but never forget to be thankful of the ones who have helped you get to where you are. I wish you all the best of luck in your future endeavors. Thank you!

September

The month of September marks the start of our journey through the school year. For some students, their initial perception of what their journey will be can be frightening, nail-biting and nerve-racking.

Those students soon come to realize, as they adjust to a new environment, that with the unconditional support of friends, teachers, counselors, administrators and family, the voyage isn'tas frightening as they once thought it would be, but is infact amazing and unforgetable.

Grade 10's, 11's and 12's all find their place and their classrooms to start another year of studies that will take them on the route to the LaZerte standard of excellence.

October

From spine-chilling costumes to pumpkin-spice flavored everything, October is a month of fright and fun.

A large variety of activities took place to demonstrate what excellence October truly has to offer.

Students become enthusiastic and eager for the events such as awards night, the Halloween "Time Warp" performance, the annual LaZerte Halloween Costume Contest, the awards ceremony and career exploration made this time extraordinary for many.

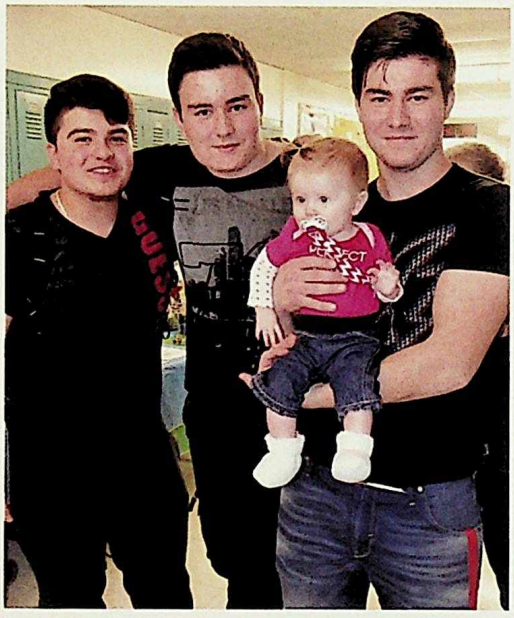
November

This month, brought many Lazerte traditions back as well as something brand new to our school, Career Day.

It was an interesting day spent listening to speeches about different jobs by people experienced in their fields. November was filled with many fun musical events such as our school's beloved Lazerte Idol.

Our lunch breaks were spent listening to wonderfully talented singers and singing along to catchy songs. M.E Lazerte's band had an amazing performance at their North Side Band Extravaganza and represented our school with pride.

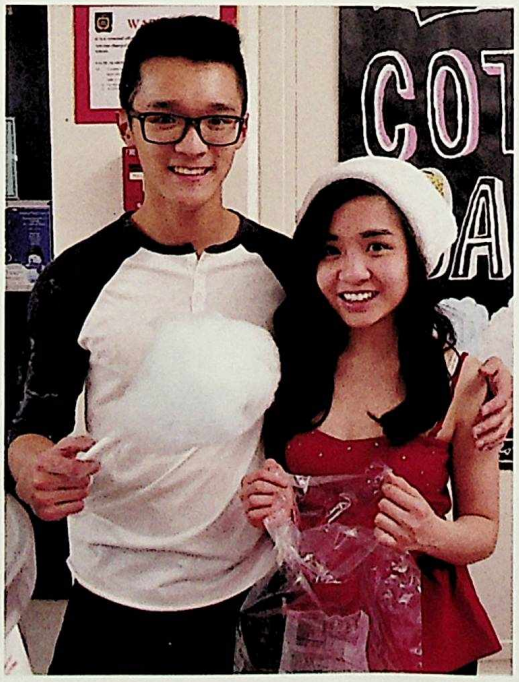
There were also quite a few students that went to WE Day to watch cool performances by different artists. Despite the increasingly cold weather outside, November was a calm month spent listening to beautiful performances and relaxing before the cram for exams began.



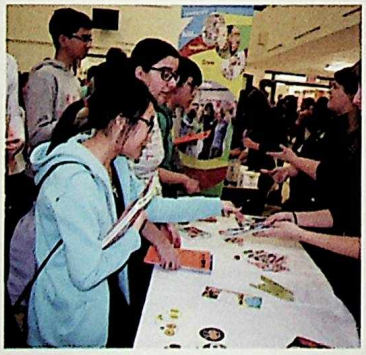
December

Lazerte spent December getting ready for the holidays. To keep off the weight of Christmas cookies, students kept fit by staying active during Healthy M.E week and dancing to a DJ during the Festive Formal.

We had many volunteer activities such as Helping Hampers where students donated to help five families get through the winter months. During our Community Christmas Party,



Many wonderful students kept things running smoothly and created a merry atmosphere within the school for everyone there. M.E's band and choir also had an amazing performance at their concert, and the end of semester dance showcase kept the cheers going strong.



Overall, December was a great month filled with festive celebrations, staying healthy and giving kindness to those in need.

February

February was filled with pink. Students celebrated Valentine's Day by dressing up and spending time with those that they care about.

Everyone showed their support to our anti-bullying campaign by wearing pink on pink shirt day, and we also had a hair massacre where people displayed off their new short pink haircuts.

For Chinese New Years, some of our Voyaguers organized an amazing set of events like a dragon dance in the atrium, a piano performance, and students showed off cool Chinese yo-yo tricks.

March

The month of March was filled with lively activities.

During our open house, students represented our school amazingly by showing off with science experiments, cooking delicious treats, showcasing wonderful art and fashion designs, and surprising everyone through a flash mob that had everyone clapping along.

At our annual STOMP at the Atrium competition, eight fantastic groups showed off their skill and brilliance as hip-hop performers, making it enjoyable for all audiences.

March ended up being an exciting month where everyone worked together to make all our events at Lazerte successful and fantastic.

April

April was the perfect month to proudly show off our talents, fitness and express different cultures.

Some of our wonderfully skilled students put on a fashion show with dresses entirely designed and created with their own hard work, and drama students brought us laughs and excitement with their fantastic Charlie Brown dinner theatre.

Tri for Cancer was also this month, giving everyone a fun opportunity to stay active while raising money for a cure, and no one can forget about our annual Taste of Lazerte.

Being one of our biggest school events, Taste of Lazerte lets our voyageurs participate in bringing culturally different food, clothing and performances to our halls which celebrates not only our multicultural diversity, but our supportive unity of one another.

May

The month of May was the perfect weather for dressing up and celebrating our last free month before finals.

Our wonderful grads went to their banquet looking snazzy and beautiful, and the Chinese students enjoyed captivating performances and fun games at their Mandarin grad.

Band and Choir students also filled our halls with catchy melodies for their year end music concert which was consistently fantastic.

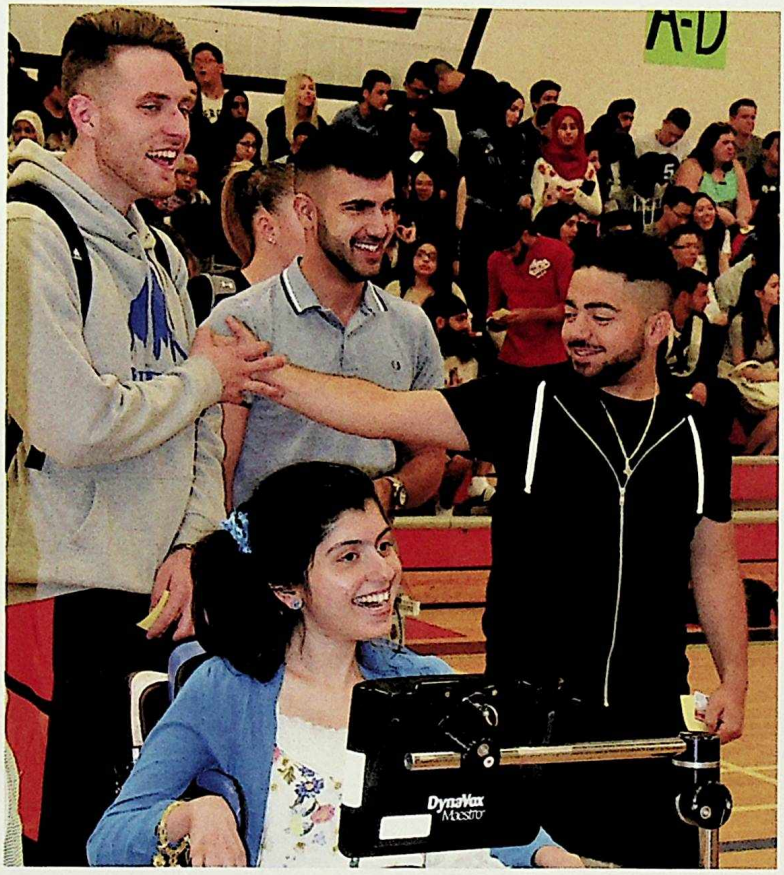
June

As we hit the end of our school year, we saw a decline in activities due to exams, but not in our school spirit and excitement to move on to do bigger and better things over the summer.



Whether you were a 2015 graduate preparing for life after high school, or a tenth grader ready to celebrate the end of their first year at Lazerte, all voyageurs joined together to make their last moments of the school year amazing.

We saw wonderful performances at the year end dance showcase, sang along to a hilarious lip sync battle and said our goodbyes to the grade 12s as they threw up their graduation caps.

Overall, we hope that when you look back on this year, you'll remember the friends, laughter and happy memories made here at Lazerte!

The Yearbook Team 2015

Being on the yearbook team for the past two years has been an amazing experience for me. I have met many talented and extraordinary individuals, as well as had the privilege to help create a book full of memories representing a very defining point in most peoples' lives. When I was first asked to join yearbook, I was pretty excited to say the least. I couldn't wait to contribute to a photo time capsule of my high school years. It's been an insane challenge, with delays and road blocks, but our end product is beyond rewarding. I've been extremely fortunate to be able to work with such an incredible crew this year. I would like to thank Cindy Phan, Fatima Samad and Sureya Manji for contributing to creating an incredible amount of writing masterpieces, being present at events to capture the memorable moments with photography, and going through all of the technical and tedious work of designing pages. I would also like to thank Gracie Rutz, last year's yearbook editor, for being such an inspiring and compassionate person and for setting such a good example of what an editor should be like. (Although I admit, it was difficult to live up to you.) Also, thank you to the many people in the hallways between classes for stopping for me as I cross and block the entire hallway to get into the yearbook room. Lastly, thank you so much to Frank Candido, who initially asked me to join the yearbook. If I had any advice for a student entering high school, it would be to get involved. When I entered grade 10, I was worried about not fitting into any clubs or extracurricular activities (for those of you who know me, I am not musically gifted, athletically talented, acting material... the list goes on.), however joining yearbook made me feel like I belong somewhere. Thank you Mr. Candido, for being such a great person to be around, for all of your guidance, and for the organization of the yearbook; even during your insanely busy schedule.

I hope everyone who views this yearbook enjoys it whether it is the first time, or when you're showing your children how you looked back in high school 30 years later. And for those of you who made it this far in my rambling, thank you so much for reading.

Ashley Matheson
